Attack on Titan is set in a grim and unforgiving world where humanity has retreated behind three massive concentric walls, each named after a former king: Wall Maria, Wall Rose, and Wall Sina. The Titans are monstrous creatures, devoid of intelligence and driven only by an insatiable hunger for human flesh.

Mikasa, Eren's taciturn but fiercely protective adoptive sister, possesses exceptional combat skills that make her a formidable opponent to the Titans. Armin, a frail but intelligent strategist, relies on his cunning and analytical mind to outmaneuver his adversaries.
