## Prepare for the Worst

In the aftermath of an electromagnetic pulse (EMP) attack, the world is plunged into chaos. Electricity fails, food supplies dwindle, and society collapses. In this post-apocalyptic wasteland, survival is a daily struggle.

Days of Want is a gripping survival thriller that follows the journey of a group of survivors as they fight to stay alive in a world gone mad. Led by a resourceful and determined leader named John, the group must scavenge for food, water, and shelter while avoiding the dangers that lurk around every corner.

## A Gripping Tale of Survival

Days of Want is a fast-paced and action-packed thriller that will keep you on the edge of your seat from beginning to end. The characters are well-developed and relatable, and the story is full of twists and turns that will keep you guessing until the very end.

As the survivors make their way through the ravaged landscape, they face challenges that test their limits. They must contend with hunger, thirst, disease, and the constant threat of violence from other survivors. But through it all, they never give up hope.

### **A Cautionary Tale for Our Times**

Days of Want is not just a thrilling story; it is also a cautionary tale for our times. The novel explores the very real threats that we face in a world where our dependence on technology has made us vulnerable to attack.

The EMP attack in Days of Want is a reminder that we can never take our modern conveniences for granted. In the event of a disaster, we must be prepared to rely on our own skills and resources to survive.
