Are you preparing for your IELTS Speaking test? If so, then you know that practice is key. The more you practice, the more confident you will be on test day. That's why we've put together these 15 sets of practice questions (141-150) based on real questions that have been asked in previous IELTS exams.

These questions cover a wide range of topics, from work and study to travel and hobbies. They are designed to help you develop the skills that you need to succeed in the IELTS Speaking test, including fluency, accuracy, and pronunciation.

To get the most out of these practice questions, we recommend that you:

- Read the questions carefully and make sure you understand what is being asked.
- Practice answering the questions out loud. This will help you get used to speaking English in a formal setting.
- Time yourself as you answer the questions. This will help you stay on track during the actual test.
- Record yourself answering the questions. This will allow you to listen back to your answers and identify areas where you can improve.

We hope that these practice questions help you prepare for and succeed in your IELTS Speaking test. Good luck!
