- Scripts for IELTS Listening practice tests with Text Only questions

## **What are Text Only Questions?**

Text Only questions are a type of IELTS Listening question that presents candidates with a written text that contains information related to the audio recording they will hear. The text may include details about the speaker, the situation, or the topic of the conversation. Candidates are required to read the text carefully and identify the information that is relevant to the questions.

Text Only questions can be challenging because they require candidates to not only understand the spoken English, but also to process written information and identify the relevant details. However, with proper preparation and practice, candidates can develop the skills needed to answer Text Only questions successfully.

## **How to Approach Text Only Questions**

When approaching Text Only questions, it is important to follow a systematic approach to ensure that you answer the questions accurately and efficiently.

1. **\*\*Read the text carefully.\*\*** The first step is to read the text carefully and identify the main points. Underline or highlight the key information that is relevant to the questions.
2. **\*\*Listen to the audio recording.\*\*** Once you have read the text, listen to the audio recording carefully. Pay attention to the details and try to

match the information in the text to what you hear.

3. **Answer the questions.** As you listen to the audio recording, answer the questions that are based on the information in the text. Write your answers in the spaces provided.

## **Tips and Techniques for Answering Text Only Questions**

Here are some tips and techniques that can help you answer Text Only questions successfully:

- **Skim the text before you listen.** This will help you get a general idea of the topic and the key information.
- **Underline or highlight the key information in the text.** This will help you focus on the details that are relevant to the questions.
- **Listen for specific details.** When you listen to the audio recording, pay attention to specific details that are mentioned in the text. This will help you identify the correct answers.
- **Don't get distracted by irrelevant information.** The audio recording may contain information that is not relevant to the questions. Focus on the information that is related to the text.
- **Check your answers carefully.** Once you have answered the questions, check your answers carefully to make sure that they are accurate.

## **Scripts for IELTS Listening Practice Tests with Text Only Questions**

The following scripts are from IELTS Listening practice tests that contain Text Only questions. You can use these scripts to practice your listening skills and develop your ability to answer Text Only questions successfully.

Text Only questions are a challenging but important part of the IELTS Listening test. With proper preparation and practice, candidates can develop the skills needed to answer Text Only questions successfully and improve their overall Listening score.

We encourage you to use the tips and techniques outlined in this article to practice your listening skills and prepare for the IELTS Listening test. By following these steps, you can increase your confidence and improve your chances of achieving a high score.
